DONATE MEDITATIONS

WELS congregations donate thousands of Meditations devotionals to WELS Prison Ministry each year. We ship roughly 10,000 copies to jails and prisons around the country. Inmates enjoy reading Meditations and Time of Grace pamphlets and ask for them by name.

If you or your church is looking for a place to purpose your leftover Meditations, we will gladly take them. Please send regular or large print Meditations to our address below or drop them off at our office. Before donating, please review the following guidelines:

- We ask that donated Meditations are no more than one-year old. We have been specifically asked by prison chaplains not to send anything over a year old to their facilities. They acknowledge the content is still valuable and relevant, but are not comfortable putting out old issues as a matter of respect.
- We accept Time of Grace pamphlets and Grace Moments, also not over a year old.
- Send copies that are not curled, torn, stained, written on, or have addresses on them.
- Forward in Christ and other magazines or books are not sent to inmates.
- We recycle all donated materials that do not meet these guidelines.

Donated Meditations can be mailed through the US Postal Service at a reduced rate using Media Mail. Mail donations to:
