

## Christian Worship Hymn 121: Jesus Grant that Balm and Healing

Please remember that songs are interpreted much differently than sermons or liturgy. It is important to keep the rhythm of the music when interpreting songs. Just as English sung hymns must change their word order for their stanzas to rhyme and therefore may 'sound' strange if strictly spoken; signed hymns must also at times change their sign order to keep the proper rhythm of the song and may 'look' strange if strictly signed. Rhythm is very important.
