

PICTURE BIBLE STORY BOOKS

Parents of deaf children (and other children, too) often search for Bible Story books with lots of pictures, more than the usual one-per-story. We found the following books to be useful; they are in order of interest and reading level. These books and pictures should be used to supplement your teaching, not in place of your teaching. Please be a critic as you survey the story contents. These books are not faultless, but pictures are so important for a deaf child! Books are available from Amazon, [Northwestern Publishing House](#), [Barnes & Noble](#), [ChristianBook](#), or your local bookstore. Also search [alibris](#) and the internet. 6/2018
