

FOR THE WELS SCHOOL OR CONGREGATION:

Military Services – Mission Projects for Your School or Group

WELS Ministry to the Military continues to serve the brave men and women in the armed forces of our nation with God's Word and sacraments. By means of a full-time civilian chaplain in Europe, a national WELS chaplain to the Military and about 125 Military Contact Pastors scattered around the nation, we provide spiritual support via the internet, U.S. mail, e-mail, and whenever possible, in person. WELS Military Services is dependent on free-will offerings and grants and receives only modest subsidy from our synod's budget. For more information regarding how to involve students directly [visit us on online](#).
